In order to be a volunteer in any Sustainable Milton programs, it is mandatory for the participant to agree and abide by the conditions outlined. A parent/guardian of a minor participant who is less than 18 years of age must complete this form on behalf of the minor. By signing below, the participant and/or guardian indicates that they understand and freely accepts the terms.

-  I consent to release Sustainable Milton from all liabilities and waive all claims and demands arising from any personal injuries incurred while participating at the activity.
-  I certify that I am physically fit and able to participate in the activity.
-  I freely acknowledge that I assume the risk of exposure to COVID-19 while participating at this event, and I explicitly understand that the risk of being exposed or infected by COVID-19 may result from my actions.
-  I agree that while I am at a volunteering site, I will make every effort possible to follow the recommendations and guidelines outlined by Health Canada. I understand that to limit exposure to other volunteers, I should maintain 6 feet and I must wear a mask at all times.
-  I understand that failure to comply to the updated social distancing guidelines released by Health Canada while volunteering with Sustainable Milton increases my chance of exposure to COVID-19, and I will not hold Sustainable Milton liable.

I have read the contents of this waiver and I sign this voluntarily and with full understanding of its conditions. If the Participant is under the age of eighteen, I confirm that I am their parent or guardian and that I have executed the waiver on behalf of the Participant.

By signing below you, in addition to the Assumption of Risk, and Release of Liability Waiver, you are agreeing that Sustainable Milton may use your photograph for the organization's promotional campaigns, newsletters, or website unless otherwise requested by you to the event lead.
